

From today we have 100 months to save the planet.

100 months before the earth's climate system could 'tip'.

100 months to deliver committed action.

100 months and counting...

Date: 01.08.2008

**Make every month count.** Sign-up for action:  
Free text 'counting' and your email address to 80800.
